

OLINGE BISIMWA Junior

Burundi, Bujumbura | juniorbisim@14gmail.com | <https://job-junior-portfolio.onrender.com> | +257 68 77 56 95

SUMMARY

As a passionate full-stack developer, I specialize in building scalable, secure, and high-performing applications. With expertise in React Native, Next.js, Django, Flask, .Net and NestJS, I am continuously expanding my backend and DevOps skills, including Linux, server deployment, and CI/CD. My goal is to bridge frontend and backend expertise to develop efficient, end-to-end solutions while integrating best security and optimization practices.

SKILLS

Programming languages: TypeScript | Python | C# | PHP

Frameworks: NestJs, NextJs, ExpressJs, ReactJs, React Native | Django, Flask | .Net | Symfony
